

Hello Sully Station II Residents!

October is here! In lieu of the Octoberfest event that the Activities Committee would usually throw, we are hosting a Halloween decorating contest. The top winners will receive American Express gift-cards! As the days get shorter and darker, please join us in making the community a festive and fun place to be! Click on the link below or scan the QR code to sign your home up for the contest and get details. If you would like to vote, keep your eyes out for our next email!
