

JoLynne Vincent
14744 Winterfield Ct.
Centreville, VA 20120

I was born in Crisfield, MD and attended Crisfield High School and Salisbury State College. In 1985, I was hired by EDS where I held numerous positions such as Computer Operator, Data Center Shift Manager and Learning Center Operations Manager. In 2002, I accepted a position with the United States Postal Service/Office of Inspector General where I worked for over 13 years. During this time, I was the Executive Assistant to the General Council, an Investigative Analyst, and, most recently, Program Analyst for the Office of Investigations.

Along with my late husband David, I have been a Sully Station II (SSII) homeowner since 2002. In the 19 years that I have resided here, I have actively participated in many SSII activities such as:

- Spring Clean-up
- 4th of July Celebrations
- National Night Out
- Chili Bingo
- Christmas Tree Trimming
- Breakfast with Santa

I have been a member of the SSII Election Committee since 2003 and its Committee Chair since 2011. I have also been a member of the Architectural Review Board since 2015.

In July 2015, I retired to be at home. My retirement gave me even more time to devote to the community. I enjoy walking – in fact you may have seen me walking around SSII and the surrounding communities.

In the past 4 years, I have attended all Board of Trustee meetings, becoming familiar with many issues facing Board members. As a townhome owner, I have brought, and will continue to bring to the Board, the perspective of the 800+ SSII townhomes members.

I am a member of Centreville United Methodist Church, an Election Officer for Fairfax County General Elections and for many years a member of the Leadership Team for Celebrate Fairfax.

My background, many years of living and actively participating in community activities, my professional experience, and strong leadership skills will make me a positive addition to the Board.
