Sully Station II Home Owners,

My name is Mubarika Shah. I have been a resident of the Sully Station II Community for 24 years. I enjoyed a very peaceful, friendly and secure community life in this neighborhood. I am thankful to our dedicated volunteer Board of Trustees who take care of the Sully Community residents' needs so diligently. I would like to serve with these board members for the wellbeing of Sully Station II residents.

My husband, Syed A. Shah and myself have been living in Fairfax County since 1986. Our two children, now adults, grew up in Fairfax County where they experienced a great community life, attended excellent public schools, and built successful future. I was always involved with students' activities and volunteered as a parent. Therefore, I want to ensure that our next generation can also benefit from a nurturing environment in this community.

I believe my background in Urban Planning and working for the public sector makes me uniquely qualified to serve on the board. I received my MSc in Environmental Design from Purdue University. I worked for the Town of Herndon and Fairfax County's Planning Departments for more than 20 years. In addition, I was a member of the Technical Committee for the Washington Metropolitan Council of Government (COG) for Regional Planning for more than 10 years. Early in my career I worked as a school teacher. This experience enables me to understand the importance of community wellbeing and the effects on its residents. I would like to use this expertise for the benefit of Sully Station II Community Association.

If elected my goals for our community include:

1. Maintain and improve the quality of life in our community.
2. Ensure low HOA fees by good management of the association's finances.
3. Listen and involve the members in our community issues.
4. Monitor future planned developments in the surrounding areas to keep and enhance our property values, our biggest asset.
5. Manage our association continuously and work better to serve the residents.

If you share my goals, then please support me, and vote for me in the Sully Station II HOA Board of Trustees election. Thank you.

Regards,

Mubarika Shah
