**Interest:** I have been a resident of Sully Station II Community Association for the past 20 years initially as a renter and then as an Owner since 2012. I love the neighborhood and community and wish to serve on the Board of Trustees. Living in the Battery Ridge Section, I am well aware of townhome issues such as parking and will bring my insights to the Board of Trustees. As a long time member of the community, I understand the importance of members serving the community. My ability to communicate effectively makes me an excellent candidate for the Board of Trustees.

**Qualifications:** I have a Masters Degree and a Bachelor Degree in Communication Sciences and Disorders from Radford University as well as Bachelor of Science in Psychology from Virginia Tech. I am a Speech Language Pathologist specializing in dyslexia as well as treating various speech-language communication disorders. I have been successful in business growth due to my determination and passion for helping others reach their full potential. I excel at project management and possess the ability to set goals and plan out projects effectively. My leadership in my profession has allowed for business growth over the past 19 years. I am an excellent problem solver and able to look at both sides of a situation to help resolve conflicts. My professionalism and customer service background will contribute to the Board of Trustees and help represent your interests.

**Additional Information:** Since 2002, I have owned and operated a successful private practice called The Reading and Language Learning Center with offices in Chantilly and Vienna, Virginia and in Washington D.C. Running this business requires budgeting, financial, legal, marketing and contracting skills that I have mastered. In keeping up with current media trends I have the knowledge to effectively employ social media communications.

I believe my 19 years of business background, community experience, leadership, and my interest will provide you needed experience for sound Board of Trustees decisions. With my interest, qualifications, and my business experience, I seek your vote.
